THE ARTIST

SHORT BIO · RADIO SUBMISSIONS

DJ RyN is a Romanian DJ and producer active between Romania and Germany (Frankfurt), releasing music through RyN Records.

His sound is emotional festival EDM — melodic techno, tech house and big room — built for festival energy.

His sets move as one continuous story, from atmosphere and emotion to full festival energy. Recent radio guest mixes include Five FM Romania (The Guest Mix #13) and RadioEX, with a 365 FM Radio (Germany) special-guest show on 30 October 2026.

LONG BIO

DJ RyN is a Romanian DJ and producer working between Romania and Germany, where he is based in Frankfurt. Under the line “*Muzica ne conectează*” — *music connects us* — he builds his sets and productions around a single idea: taking the listener on a journey that starts in atmosphere and emotion and ends in full festival energy.

His musical direction is focused and consistent: emotional festival EDM, carried by melodic techno, tech house and big room. Dark, melodic openings give way to driving grooves, nostalgic rave moments and euphoric peaks — the kind of arc that works on radio, in the club and on the festival stage.

As a producer, DJ RyN releases his music through RyN Records. The 12" vinyl “**DJ RyN – Festival Collection VOL.1**” gathers seven festival tracks — *Come Closer*, *BABY*, *No Control*, *I Love Summer*, *ELECTRIC*, *JUMP* and *I Feel You* — and his 2026 singles, including *My Dream*, *Never Say Never*, *Rise (Festival Mix)*, *My Universe*, *Raise Your Hands* and *Midnight Desire*, are available on Spotify, Apple Music and Amazon Music.

Autumn 2026 brought a run of radio guest slots: a 60-minute guest mix for RadioEX (13 September 2026), an exclusive worldwide edition of **The Guest Mix #13 on Five FM Romania** (18 October 2026) — during which the station’s live counter showed 42,175 listeners online worldwide — and a special-guest show on **365 FM Radio (Germany)** on 30 October 2026.
